“ Ron & I had the pleasure to know Bro. Sam & Betty through Buddy, who we attended East Dayton Baptist Church with. What a wonderful couple they were, true servants of God. Bro. Sam had the most humblest spirit, genuine love for God & those around him. He didn't just talk the talk, he walked it What a wonderful legacy has he left. Our prayers of comfort for the family & rejoice with them for knowing we will meet Bro.Sam on the other side

“ My heart goes out with the deepest sympathy to Betty and all of the family members. This earthly loss here, is for one of Heaven's greatest gains. My beloved, All American Pastor, Brother Sam was called home and entered into the presence of his and our Lord and Savior, Jesus Christ. These tears that I cry are for our loss in this earthly life. Sam and Betty ministered to my husband and I, our daughter and my parents, as we were part of the Beavercreek Baptist Church family during their Divinely appointed time of leadership there. Sam and Betty were an incredible, amazing, Divinely Powered Team. They challenged us to serve, honor and worship in the most powerful way, as they led us by their examples. The truth is that they got us "Fired up for The Lord". I describe their leadership roles by saying that it was God Powered, Christ Powered Faithfulness in action. There is no great enough or humble enough "Thank You" from me, for Brother Sam and to Betty for all that they did for me and for my family members during their years of ministry. My family and I were the recipients of their Christ centered service, care, concerns, love and prayers. God appointed Sam to be my Pastor and my Friend for a season that included, one of the toughest times of my life. When I lost my father in a tragic aviation accident (05/30/2008), Sam said "yes" to handling the memorial service without even questioning the set date. Sam was in Texas attending a family reunion when I called him and he never hesitated on that telephone. He stepped right up to the opportunity to serve. He performed the marriage union of one of my family members, again stepping right up at the request to serve. My family was struggling with some very difficult life issues for a period of time and Sam made it a mission to check on us and minister to us and to pray with us. I can't tell you how many times that he stopped by our office (our family business was right near his church at that time) this was before and after my father's death. He had a true Christian care and concern for us and he showed it. He allowed himself to be an instrument of God, as the hands and the feet of Jesus Christ. As we were so richly blessed by the life of Sam and the ministries of he and Betty, we are continuing the charge to do the same, to faithfully serve with the love of Christ. My prayers have been lifted up and they will continue to be lifted up...for Betty and for every family member. I know that God will comfort you as only He can do. It is His Promise in His Word ..and.. He will do it. I gave thanks and I will continue to give thanks for the gift from God, that of Brother Sam's part in our spiritual journey here in this life.

In closing: Based on God's Promise and His Word in John 3:16 Our hope is anchored in Jesus Christ. Brother Sam has entered into the mansion that Christ had prepared for him. I can't imagine the crown of jewels that he received and has laid at the feet of his Savior. Know this"We will be together again".

God Bless you Betty. We love you in Christ.
