“ Bobbie was my Mother-in-Law on Becky's (daughter) side of the family. I think what I remember most fondly is my time with Bobbie when we both worked at Grandview Hospital in Dayton. Bobbie was an admitting and emergency room receiving clerk and I worked in the Admitting Office as a part time job while in college.

We had many nice discussions when we could. Bobbie was a very hard worker and handled incoming emergency cases with speed and compassion. She was very good at her job.

Continued discussions ultimately led to Bobbie introducing me to her daughter Becky which led to my long and happy married life.

Thanks, Bobbie...I'll miss you.

“ Keeping all of you in my thoughts and prayers through this difficult time. Thinking back when Becky & I were growing up and all the memories we shared on Kenwood & Fernwood and in Trotwood, driving your Mom and my Mom crazy trying to keep up with us. And will hold dear our recent trip to the casino with your Mom. Becky, I am so glad I did have that special time with your Mom and sisters. May each of you find peace and comfort in the days to come with holding your Mother's love within your heart.

“ To the entire family my deepest sympathy, you are all in my prayers and thoughts. So many memories, spending the night and now wondering how in the world did you survive the house on Kenwood with just one bathroom????? Lol. And it always seemed like your mom was ironing something for someone in the kitchen, thank goodness for permanent press now, but oh my goodness all those uniform blouses and uniforms, plus shirts for Dick (this was before Pat and Tammy). I can remember going to see her when she worked at Donenfeld's, really thought I was hot s---, sure couldn't afford anything there. The good old days, so many memories. Becky know that I love you and you were and always will be part of my family. I will see you tomorrow.
