“ I was so deeply saddened to hear of Daves passing. It was quite shocking. He was a very special friend long long ago. I can still see his adorable smiling face as he stood as a door greeter for Kmart where we met! :) I know he then went on to bigger and better things- (ha). We had a lot of good times. He was a very wonderful person. I loved his laugh. He had that big ole gold cutlass type car that we cruised around in. I do wish I could have talked with him before he left...Would have loved to hear about his life; friends, family...

\*\*Ironically I am here in Ohio visiting my family and was planning on going to the viewing...Dave- please forgive me for not going...I knew I would know Don as we graduated together. A friend was supposed to go with me..she cancelled. I just felt awkward...I wanted to pay my respects! I'm sure you understand though. Thank you for being so good to me in the past, and for your support when I lost my mom to cancer.

My prayers go out to your family, friends and all the people that were lucky enough to know you. You will be missed..

w fondest memories,  
Marie

“ I have such fond memories growing up with Dave and his family when they lived on Grice Lane. We were young, innocent, and invincible and had a lot of fun!!! My thoughts and prayers are lifted up for the entire family.

“ I knew Dave primarily from high school. As with many HS boys, we both had rough edges. Our rough edges clashed one night in a Cassano's parking lot and I ended up with a significant black eye that I got to show off at school for the next week! We decided neither of us wanted to fight again and became comfortable with each other... And in the end I think Dave considered me a friend as I did him. My prayers are with those friends and family Dave leaves behind. Jay

“ Husband, Father, Grandfather and friend, no one was better at all of them. While we will miss Dave so much, for any of us that knew Dave or got to spend time with him, we will forever have him in our hearts. We are all so blessed to have had him in our lives. Jacquiline, Mike, Dan, and all of Dave's family we share your loss and hope that you know how much we love you and pray you find comfort and peace knowing Dave is in a better place, free of his pain. We will miss his smile, his laughter and his warmness, but his memory will always bring a smile to our face and our hearts. God Bless you Dave, we love you.

“ We love Dave and you with ALL of our hearts. Words cannot express the sadness that we feel. You will all be in our prayers in that God will give you Peace and Comfort.

Life is a Gift; our family, friends, neighbors and even strangers are all Gifts to be cherished. That is what Dave did. He cherished every soul he came across in life. We feel so blessed to have had the Gift of Dave Sherrill.

As we all grieve, remember the love that you shared with Dave, and do not be afraid, as our Loving Father is in control. Trust in Him and His Wisdom. Open your eyes to others' needs and provide comfort to them with Love and Grace. For we are all One, and we will all be together again.

"Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no records of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails." --  
Corinthians 13:4-8

“ Jacqueline we are thinking of you our dear friend. Dave is a beautiful person who finished his race here on earth way to early. Now he warms the heavens with his smile and walks hand n hand with Jesus. We pray that this peace will find it's way to you so that you may find some comfort. I have seen the pain cancer can cause, and I know in my heart that Dave is at peace and is whole, with no more pain. We love you! Hugs!

“ When we would all go to stay in the cabins at Big Ridge State Park in Tennessee every Fall, we always took the BOP-IT game to play. It was SO much fun and we were all crazy-goofy while playing it and passing it around the room. I am certain that we kept all of the others who were at the park too (who were trying to have a peaceful weekend) AWAKE all night long! Probably all the bears too!!

Love,

“ I am so, so sorry to hear about Dave's passing. My heart goes out to all his friends and his family!! Dave was a super, super guy. He was such a special person and so fun-loving. Whenever I would see him, he always had a smile on his face. He could sure make others smile! We first met when we played little league baseball together on the Yellow Team at Ireland Field when we were 12 years old. Even though he was a little guy back then, he was a very good baseball player!!! Dave will be greatly missed by all who knew and loved him!!! :-)
