“ Dennis and I were classmates for 8 years at St. Albert the Great school, and 4 years at Alter High School. He was always a funny kid with lots of energy. We walked to school and if my mother ever picked me up, she often took Dennis home too. As the first graduating class of Alter H.S. '66...Dennis always provided a friendly hello...and then our paths crossed again when Matt, attended Alter along with my son. I will really miss passing down Far Hills Ave., looking over and seeing Dennis's car in the open garage, with his exercise bike greeting us daily, thinking how the years have past. He was still living in his childhood home and my mother still living a few blocks away in my childhood home. I am so sorry for your loss, its way to early to lose a father and a brother. My prayers and thoughts, Kathy Whalen Kavanaugh

“ To Dennis's family we want to say how sorry we are that he is gone. He was such a good friend to many of the individuals with disabilities and will be sorely missed by all. He used to take my daughter, Krista, to the Humane Society and tell her of his dog. They both loved animals. My friend and I came to the viewing on Friday but didn't know exactly who the family was but I did want to tell you (something you already know I'm sure) what a great guy Dennis was I was privileged to know him!

Our greatest sympathy to all the family! Sincerely, Karme Raggio (mother of Krista at Liberty)

“ I was so sorry to hear of Dennis' passing. When we worked at Jergens he was always smiling and gave the greatest hugs! He was like a big teddy bear. Dennis was usually the calmest one in a crisis and had a knack for reasoning with the clients;you could just tell that he cared about them and really listened to their problems. Dennis will be missed by anyone who knew him ;especially me. I can see him now; walking down the hall, popping baby carrots,with a big smile on his face!

“ Dennis will be greatly missed! It will be so hard to return to work and not have him there giving out his hugs. My thoughts and prayers for his family. I know Dennis will be watching over all of us and laughing at our crazy ways that he would just shake his head at.

“ My family sends our deepest sympathy in the passing of Dennis. Dennis has worked with our son Devon for at least 10 years. We feel like he has been a part of our family. Dennis was always willing to assist Devon with various tasks. He provided necessary information, was always smiling 2when we saw him. Dennis will be deeply missed by my family. It has been a pleasure having Dennis be part of our lives. I offer this comforting thought from Devon...I guess God and Jesus needed Dennis in heaven to take care of Tommy B. and Cathy P. I wonder what kind of car God and Jesus drive on the Highway to Heaven? I was too busy crying to respond. God bless you in this time of grief
