I have no doubt she is in heaven telling you not to make a fuss. Remember, she REALLY CAN see everything you are doing now so just keep making her proud. Pain No More.

“ Grandma loved to look at my pictures. No one will probably ever look at my at pictures with as much enthusiasm as she did! She would look over each on in detail, ask me questions about them, and then look at even more than the ones I intended to show her. She genuinely cared about what I had going on in my life. She loved Vegas so much... I wish she had been feeling well enough to see the pictures from my last trip to Vegas.

That's just the tip of the iceberg. I miss her in so many ways, even ways that surprise me. I love you, Gram!
