“ She was a lovely lady. She will be greatly missed. We always considered her as part of our family. Our fondest memories are of the many Thanksgiving family gatherings in Tennessee. Now we know she is with Jesus and all suffering is ended. We will see her again one day!

“ Dale and family,
I am so sorry for you loss. She truely was an amazing lady. Though I have only know her for the last 9yrs,I have come to know how strong a lady she truely was. To me she seemed to always put everyone else first,she loved her family with all her heart,and I know she loved her great grandbabies unconditionally. I know that my daughter thought the world of her,and that when she lost her grandma 4yrs ago,Joan was always there for her,just like a grandma would be. I will always remember most her great date cookies she made,I felt so lucky when she would give me some. She was the rock for her son and his children through the years and for that she was a hero.
I know that she would not want you to be sad,but to go on and keep her close to your heart always. Hold onto those memories.
Family please know that you are in my thoughts and prayers.
Love to you all.

“ Dale , my prayers are with you and your family.

Dear Aunt JoAnn,

We think of you often and feel sorrow that you're gone. We loved you in life and in death we love you still. When God called you home, you took with you a part of our hearts and left behind an empty place that no one can fill.

You are with God now, but the memories you left behind will keep you alive in our hearts forever.

We wish you peace and send with you our love as you take your next step.

Amen.
