“ Roy is my uncle, My best memory with him was he would never let anyone bother me when I was little. My mom would want to spank me or something and all I had to do was run and jump on uncle Roy's lap and he would not let my mom bother me He was the best uncle. I am going to truly miss him.

“ Grandpa Willaims was a very intelligent loving man. He always taught us to go for our dreams and never let anything stop us. He spent his life providing love and light on all who knew him. I am his oldest grandchild and spent much time with him and grandma through the years. He came straight with his messages I always respected that. He will be dearly missed and his legacy shall live on through us...
