“ *Such a great lady. I have so many great memories of her and Ethel (her constant companion) growing up. We were practically raised to know them as our own family. I'm so sorry to Deb, Larry, Bill and the rest of the family. She's gracing heaven with her infectiously bright smile and without pain. Love you guys.*

“ *Granny!!! I loved you like you were my very own grandmother. I loved painting your nails and pampering you when we visited. I loved the way you smiled from ear to ear when you seen your great-grandsons. I loved being a part of your life. I am so humbled to have shared such a huge heart you had. You will be missed so much. Love you Granny, Kathy*
