“*Doug is and will be missed. He could act kind of mean towards you if he thought you were doing whatever wrong. That was because he CARED. He Really LOVED his Family and tried to be there for them whenever he could. If you got him laughing and it turned real funny, he would turn red with a deep hard laughter, (he got that from our father). There was many a time that they would almost pass out from laughing and not get there breath.. That was as funny to the people around them as whatever they were laughing about. Doug has left a void in the hearts of his Family and Friends that will only fill in with the best of memories..... Love & Miss You Bro*

“*I only knew Doug for 2 & 1/2 years while working in Iraq together. It was truly an honor to know him, he was a great friend and comrade. While driving in Iraq we had the opportunity to talk and get to know each other. We had many things in common which helped us through the tough times.
Doug will truly be missed by all.*

*Sincerely,

“ Mrs. Koogler, Dean, Dale, DeeDee and all:

Was so very saddened to hear of Doug's passing. I have many wonderful childhood memories of you all from Bidleman Street and Lincoln Elementary. From all the wonderful comments, it appears Doug grew up to be a fine and well loved man. I'm sure he will be missed. Your family is in my prayers.

Sincerely,

“ *Joanie, Dale, Dean and DeeDee, I am so sorry to hear about Doug's passing. I know it has to be so hard after losing Joe. Reading memories he was so much like his Dad. I remember Joe teaching Doug to shoot and archery and when you all went to St. Mary's Lake. Carmen and family, losing Doug at a young age is so very hard. I lost my Dad at age 47, and had the Koogler family to help me get through it. May God Comfort you during this difficult time. Terry Lambert Bohannon*

“ The first memory I have is that I was the flower girl in your wedding with Carmen. The second memory that I want to share is how you and Carmen allowed Patty to live with you while she was pregnant with Javier. I remember her telling me how she wouldn't have made it through her contractions without you being there to rub her back. You touched many lives and will be missed by many.

“ How to explain on one page everything that your life meant to us...? Best I can think of is to invite you in to see from my eyes who you were to me. Eating raw meat with you and some of my cousins at night in the kitchen. We wanted to be as tough as Uncle Doug. Playing around and under your semi parked out back. Deer hanging downstairs after you were back from good huntin'. You taught me the words to "Swingin'," by John Anderson...throughout my life, and still to this day, every time I hear his voice it takes me back to summertime at your house. You were such a great uncle, it was plain to see how much you loved all of us. Looking back on my life, you were always the original country boy. Thank you for all that you were and all that you gave. Love always, Uncle Doug. One more beautiful angel who we look forward to joining again when our jobs here are done.
