“ Eddie was a huge part of my childhood - as were ALL the Drollingers. Eddie had a brilliant mind and enthusiastic spirit. We were all so lucky to grow up together in such a wonderful neighborhood. The touch football games, the basketball games, baseball and Sunday softball games...lake hockey. Paradise. Eddie loved everyone and I can still remember his unique form with which he shot a basketball (and sharp elbows that happened to be at the same height as my poor, unfortunate nose.

Rest In Peace, Eddie...

“ Ed was a huge part of my high school and junior high days. We also lived on the same block in those days. One of my very best friends. We had a lot of fun, did a lot of growing up together. I have always thought of him often, and always will. I lived 1,000 miles away most of our adult lives, so I didn't get to see him too many times in recent years. We learned about our old cars together, we learned about cruising town on weekend nights, we learned to water ski together on a little tiny underpowered boat out at the Greenhouse. We played some basketball together. We got through high school classes together, we collected and swapped coins with each other. We worked on corrupting his little brothers a bit, we all learned some wisdom from his Dad. I will miss Ed.

“ He was such a kind soul. We always talked about our families and he always said I was kind to him. If I ever needed to talk he was always willing to talk. My heart is sad, yet I know he is in heaven smiling down at all of us. Prayers to family and friends.

“ I was stunned when I learned the news @ my homegroup last night. I am sad but also knowing that he passed peacefully is comforting. Still, he will be missed. Ed and I have had many talks on subjects that we could relate to. He always had a handshake and a gracious greeting for all he encountered! He will always be with us in good memories and gentle spirit!

“ Ed is one of the first people I met in our big extended "family;" He never failed to say hello by name, accompanied by a handshake & hug, a smile, and kind words. I mean really kind words. I cannot express how much that meant as I, myself, was coming out of some really dark times. I wish I did have a picture to share here, from the picnics or something, but I can surely see his visage in my mind. I'm sorry he's gone too young. Deepest sympathies to Ed's family & loved ones.

“ *I was shocked when I heard about Ed's death this evening. Ed and I have belonged to the same "Fellowship" for many years. He always warmed my heart when he walked into the rooms. He had such kind words to say and appreciated the smallest of kindnesses directed towards him. We also saw one another at weekly car cruises in the area and I got to know him a little better through those visits. And, Dale, I remember you so well from the Valley during your residency. I was one of the nurses on 4West. I am so very sorry for your loss. Ed spoke so highly of you whenever we were together. My thoughts and prayers are with everyone who loved Ed.*

“ *i will always remember Ed as a simple, kind and gentle soul. i enjoyed his intellect and his quiriness. As Donna Cron pointed out, there was an innocence about him. I was grateful to spend time with him these last few months. My heart goes out to his family, especially his brother Dale , of course. May Ed rest in peace.*
