“ Dear Pat & Family,

We are very sorry for your loss. Ed was a very nice and caring person. I always enjoyed reminiscing with him about family stories. He will be truly missed.

We are sorry that we were not able to pay our respects in person or to attend the funeral services.

You're all in our thoughts and prayers.

“ To a great father figure, mentor and most importantly, my Great friend. You always believed in me, and I can never repay you for that. You always pushed me to think and dream big. I felt like I could do anything after your never ending encouragement.

You will be sorely missed in my life. But I will never forget or stop thinking of you.

I Love You

“ Dear Patti,

Our sincere sympathies on the loss of Ed. I have a lot of fond memories of Ed at work where he recruited and ran an ace HVAC team, was as sharp as they come mechanically, and somehow tolerated all the bureaucracy. Had great fun with Ed over the 20 some years of our Mound poker group and his goofy games that would hardly qualify for hard core poker. The stories of his childhood and his mom & dad in the Hungarian area of Cleveland were always entertaining. Ed was one of a kind - he will be missed.

“ I interviewed with Ed as a young engineer. He kept asking me harder technical questions - it was obvious that he was trying to trip me up and I was not going to let him. It went on for over 1.5 hours and was actually one off the most enjoyable times of my life. Ed was a wonderful boss and mentor and a good friend. He will be missed.
