“ We lived next door to Gene from 2004 to 2013 and continued to see him and Mae often since then. I never saw Gene, in all that time, that he did not give me a big grin that said he was glad to see me coming. I always felt welcomed by Gene. He was quick with a laugh and made me feel at home - in his home. I will miss him and I look forward to seeing the Glory that he can already see now.
