“ I worked at Standard Register during the same time George did and we played many rounds of golf together. Will miss him at the golf course. My condolences to the family.

“ George was always very kind to our family and a friend. George and Grandma Sue would stop by the camper when we were out to visit and have a few laughs. He was a thinker and funny too. We will miss those visits. Sue you will have to continue to stop by when you are at the lake. Our thoughts and prayers are with all the Schreck family during this difficult time. Hugs, Lanny, Vickie, and Hayley Nicholas

“ Sorry for your loss of George... He was a awesome man, who loved his family very much. I still will never forget the time, we gave him a father's day card of George Bush and he taped to the toliet lid at the camper. We laughed about that for months. Tim always looked up to George as a father... I know that Tim has welcomed George into heaven and they are having a drink, remebering all the good times we have had a Lake Shore Resort. Your family is in our thoughts
