“ Such a special person who will be missed. I'm always proud to tell people I was named after my mom's brothers who she loved dearly. Jamie is for James and my middle name is Lee for Robert Lee. You are with them now in peace. You always made it special when our family came to visit for the summer by making music mix tapes for me and my brother and always had fun things planned. I thought it was so beautiful what a wonderful and loving marriage you and Aunt Phyllis had, definitely leading by example. You gave me the best memories, love you always. 💕
