“ *Regina and family:  
So sorry for your loss. I developed a great deal of respect for John over the years while dialyzing him when he was in the hospital. As ill as he was he still had some of the strongest courage of any patient i have ever cared for. I will miss the hearty laugh, the tough psyche and the conversations we had especially when he talked about the pigs. He was lucky to have had such great care from you and your family. Godspeed John.*
