“*Mrs. Sullivan, Missy and Johnny, I want to express my deepest sympathy at the passing of your Husband and Father. He was such a high energy, positive person who brought light and joy to any situation he walked into. He was always good for a joke and a laugh and always gave as good as he got. I can say that I always enjoyed seeing him at any time, because I knew he would bring some extra good humor to my day. He will be missed! I will continue to keep all of you in my prayers. When we all get to heaven, perhaps he will have a table at Carmel's waiting for us...of course he would have the Bud Light and not the margaritas. God bless all of you!*
