“ *As written by Jessica McCullough(John's(grandson) wife...  
"outside playing with the boys, listening to the radio when Traigh starts singing one of his new favorite song choruses..."there is power in the name of Jesus, there is power power in his name! The next song that comes on is that very song and he gets excited singing at the top of his lungs, then turns to me and says "I bet great grandpa told Jesus to turn that song on for me! They're probably good friends by now."*

*That boy is something so special.*
