Ladecca R. (Eldridge) McCoy, Finally at peace with only the sound of our loving Lord whispering "Welcome Home." Loving wife, mother, sister, and friend to many. Sadly missed, but forever in our memories; her beautiful smile, plenty of hugs, the endless joy of helping others and a "hello" to all she met along the way. Special mention to her best friend, confidant, and the endless support provided by her brother, Bill. In lieu of flowers, the family requests contributions be made to the American Lung Association. Private Services.

“ I an so very saddened to have just heard if your passing. I never expected to find this out when looking you up on Facebook. I let out friend Sharon know, also. We use to have so much fun while in the same class at JVS. I loved spending the night at your house. We had fun going out dancing and just being silly, even when you almost caught your back seat on fire, or when you went off 35, up a ramp, crossed over and went down the ramp and got back onto 35. I asked why? Guess your uncle was playing with you and told you that you had to do this to stay on 35. How you didn't realize it went under the bridge was funny. I wish we had been able to keep in good touch over the years. I cannot imagine your last few months or even years. Always remember that I have thought of you time after time after time. I am so very sad in my heart. May you rest in peace in the arms of our Lord. My love to you.

“ Pretty lame how the obit leaves mention of her loving child and husband. Pity Bill!

I think it was the drug abuse and psychological pain you both created to cause this.

“ *Ladecca was my favorite aunt. She was always smiling no matter what the occasion was. She was nice and caring and always willing to help anyone who needed it. She was easy to talk to and easy to get along with. I enjoyed coming over and spending time with her and Uncle Steve and Stevie. Just wished I would have spent more time there. She will always be missed.*

“ My love just thinking about you just blows my mind. We loved each other thru good and bad. Your brother Bill was like your dad, and a nice person to everyone like you always was. But my lifetime with you was better than I expected, and know I could have helped make it even better. But we had a wonderful son and good life. You **KNOW I AM AND I WILL BE MISSING YOU THE REST OF MY LIFE.** You was my Soul Mate and My Life and Lover. I love you, Always & Forever!

“ *Ladecca will be greatly missed. I will hold close to my heart all the good times we had in school. Everyone loved her personality always smiling, giving and always there if anyone needed her. I know she's in a much better place now, no more suffering or pain. She's at peace, along side with her Mother and Sabrina. I love you Decca you will never be forgotten. Love Becky*
