“ *I loved my mom so much. She was truly my best friend. We were like 2 peas in a pod. Over the past eight years, I took mom out to eat, Walmart and to various functions at my house. Mom really loved her 5 grandchildren. They were the light of her life. I took them over to see her nearly every week and she enjoyed watching them play. I love you mom and I will miss you the rest of my life. I know you and dad are reunited and that makes me so happy! I'll see you in heaven one day !*
