“ *Linda you were my best friend since H S and I truly will miss you. We shared the good and the bad times. You were always there for me and I for you. We sure had a lot of good times when we traveled , a lot of those trips were to Florida. You suffered so, and I know we will meet again on the other side.*

“ *Linda I truly am going to miss you. You were a great aunt to my animals, dear friend to me and a mother to me also. You help me through a lot of difficult times in my life. Especially this last year when I lost my mother, and also my grandmother. I cannot thank you enough. I love you very much. My heart is sad. But I'm glad you're in no more pain anymore. And I truly believe you're in a good place.*
