“ *Tracy, Lance and family,
Sorry I was out of town when she was buried. I would have been there if not. Maybelle was my mom's best friend all her life. She was certainly special to me also. I loved her smile and laughter! Her obituary really said it all. She was one gifted & loving woman. She's up there now with angels watching over her and smiling down at you all. Loved her.

“ *I will always remember her big smile, her love for us boys, great french toast maker when we slept over, and her and mom laughing like little girls. They had so much fun together and similarly we had many good times laughing with Mark, Tracy, and Lance. Count your blessings! Barry Kissell*
