“ *Shauna,
I am so sorry to hear about your loss. I was stunned when I read about it in the paper. It followed on the heels of me having you in my thoughts for the past few weeks. Please know that you and your family are in my heart and that I'm here for you if you want to be in touch. My phone number is 937-469-5144. I remember the time that Mike fixed my lamp post for me. He was such a nice person and had such a kind heart. It was obvious that you were so committed to each other. May peace and love surround you during this most difficult time.
Blessings,
Donna Jacobs*

“ *Such a kind heart taken too soon. We will miss you for the rest of our days. Love and hugs to Shauna, Kay, and Mike's family. I remember my mother stuck in neighborhood traffic and wanted to get around it, so she went to the car behind her to see if maybe he knew a way around. It turned out to be her own grandson, Michael. I will never forget her telling me that story. God puts us in a place where we are most needed. Love you, Mike. Aunt Angie and Uncle Tom*
