“ Paul was like a mentor to me. We were golf partners for many years in the John Kalaman Memorial Golf event at Yankee Trace. Lots of fun and lots of memories.
I will truly miss seeing and talking with him.

“ Paul was a great person. When my husband Jerry Wheeler worked for him at PKLunber years ago Paul always made sure to include our whole family on special occasions especially the children. We lived in Bellbrook at the time. Jerry passed away at a young age in 1995. My cousin was the one that remembered that we knew Paul. My prayers are with the entire family. In 1980 Jerry's employer moved the company from Dayton. (Paul Tips and Frosty Stump). Great memories. Thanks Paul Lucy Wheeler

“ To the Heintz Family: Please accept my sincere condolences on Paul's passing. Around St. Xavier High School, the mantra is to be a man for others and Paul exhibited that trait throughout a very long life.

Several years ago while attending a Continuing Education seminar in Cincinnati presented by the Salvation Army when Paul was a Board member there, I sat at the same table with Paul as he explained he was in route to his "Golden and Then Some" reunion at St X. Through the course of the day and lunch, we learned (i) we both were reared in Bond Hill neighborhood (ii) both graduated from St X (iii) both played on St X Golf team and (iv) both had a St X classmate named Bill Keating.

“ *Dear Heintz Family,
We have so many wonderful memories of your father as our friend, our neighbor, and as the First Gentleman of Centerville. Paul was always involved in our community and was never one to seek recognition for his efforts. He was a fine man and will be deeply missed by all those fortunate enough to have known him.*

*Respectfully,
Greg and Cathy Horn and family*
