“ *To all of the Kirbabas Family:  
My condolences for your loss. I'll always remember Perry as a person with a ready smile and kind heart. I always enjoyed visiting with any of the Kirbabas "boys" and their families. There was always so much love, generosity and laughter - enough to encompass all in the vicinity.*

“ *We, the nurses here at Same Day Medical at KMC, are very sorry to hear of Perry's passing. We always enjoyed taking care of him for blood transfusions because he was always so joyful and had a sharp sense of humor. The Kirbabas family is in our prayers during this time of loss, but know that your love for him was obvious to all.*

“ Dear Ruthanne, Tim, Zach, and Nick,  
Our thoughts and prayers are with you at this difficult time. We have heard many stories from Ruthanne about what a great family she comes from and how important your father/grandfather was to everyone. We hope you find peace in knowing that he is now pain free. We like to think he's sharing stories of his Dublin family with our dad/grandpa in Heaven.
