“ Rob was a friend of ours a close friend that would help a person out if he could. Rob enjoyed life to the fullest. We are gonna miss his smile, laugh & the jokes and lil saying that would come out of his mouth at times. We gave him a the light Bulb because of how red he would get when he laughed. Shine on Light Bulb , you were loved and will be definitely missed . It's still hard to believe that you are not sitting on Willis truck daily & we keep looking for you to be there or coming down the street from getting off the bus. Rest Up in Peace Light Bulb because you got your Wings now. Hold a spot for us and we will see you when we get there. It's a sad time for us. 😞
