“ So sorry to hear of Susan's passing. We were neighbors and playmates as young children. Our mother's were friends and used to attend movies together occasionally. Also we went to the same grade school and high school. May she rest in peace.

“ I had the honor of knowing Sue later in her life. She was quick with a joke and great at trivia. She will be missed. Prayers for her and her family, especially Jane, who took such good care of her.
