“ I just found out today about Terry
I am so sad to hear about this
We went to grade school and High School together and were
friends
We lived in the same neighborhood
Our birthdays we a few days apart
I lost contact with him for years but reconnected about 15 years ago
I would run into him while out riding my bike and talk to him on FB
We shared a lot of the same friends,like Charlie Brown
I only wish In knew he was sick and in Hospice so I could have seen
him
"Ride On" Terry....you had a great heart...
