“ My mom was the most amazing, holy, patient, driven, adventurous women I know. She was devoted to God, the Virgin Mary, her family, travel, her friends, her career (as a nurse), and many volunteer positions. She lived life to the fullest and she loved to the fullest.

She and my dad babysat my kids while I worked. She always gently encouraged me to go back to work after the birth of each of my children. I never had to worry about my kids while at work. She helped shape them into who they are today. She has done this for the past 15 years (about 2 days per week) and never complained. "Nana" has become one of my most favorite words:)

I will miss her terribly but know it only hurts so much because I love her so much. Thank you mom for choosing a wonderful husband and raising 3 amazing sons to be my brothers. WE LOVE YOU!
