“ Dear Jerry and family,
Please accept my deepest sympathy of the loss of your father.
I know from my own experience how difficult this time is in your life.
Through a lot of thought I have come to realize no matter how
different we are from one another this is our common thread.
Everyone's heart hurts the same when we lose someone we love,

You are in my thoughts and prayers.

“ I wanted to let you (Keith) and your family know how sorry I am for
your loss. Wilt was a special person that I have known since I was a
boy. I am so sorry that I can't be there for you when you need
friends and family the most. You have been like a second Dad to me
over the years and have given me valuable advice. I am thinking
about you and am praying for you and your family.

Please accept our condolences on Wilton's passing. May the Peace of God be with you all. Wilton will be greatly missed. I often remember our fishing trips to Patoka Lake and the large meals we fixed at the campgrounds.

“ Just a few weeks ago I was telling your grandson, Shane, how unique and wonderful grandparent's are. I was recalling my loving 4 grandparent's that have passed on. Oh what love they offered. I explained to him how irreplaceable they are, then I paused, gave a glance his way, and said, "no, they can be, 'cause I have yours in my life." I said it with a smile.
